Coronavirus is very contagious. Please take every precaution to ensure you are spreading only kindness. If you are in any doubt about how to self-isolate contact us immediately. Avoid physical contact (2m distance). Wash your hands regularly for at least 20 seconds. We ask all residents during this time to keep an eye out for any vulnerable neighbours who may need help and advise the councillors listed if help is needed. Please always remember the 2m rule though. Please be mindful that we do have limited capacity

Any goods collected will be left on your doorstep to avoid unnecessary contact. Goods where possible should be paid for prior to our collection, if this is not possible please let us know and we will advise. Remember you are not alone through this so Please don't be afraid to just pick up the phone and talk to any of us.

Thank you and stay Safe.
