NEWTON'S WOODLAND TRAIL ACTIVITIES

Family friendly, mainly aimed at children with parental supervision, although grown-ups with a flair for arts, crafts and construction are also very welcome!

Whatever your age and ability, below are some of the items you will be able to make or decorate during the August 'BUILD' sessions to include:

- Pebble painting
- Miniature windows, doors and other items for the fairy and elf dwellings
- Woodland trail signage
- Tree mobiles

Ideas welcomed, there really is no limit, just keep it rustic and fitting for our woodland space.

Thanks to some very generous sponsorship from **COVID-19 Community Funds** made available to **Newton Parish Council**, we are delighted that these activities are **FREE to attend for Newton residents!**
