Bridle Path Closure

Redrow Home have informed the Parish Council of the proposed shutting of the Bridle Path for a period of some 6 months.

We objected to the Nottinghamshire County Council Rights of Way Team who have confirmed that Redrow Homes have applied for a Temporary Restriction Order (TRO) which will see a section of Bridleway 4 closed for around 6 months. They say that Developers are able to apply to the County Council for such a closure when their scheme will either impact the Right of Way or for public safety reasons.

Whilst this is not an ideal situation, NCC cannot strongly object to TRO requests. They are a regular feature of development schemes. Redrow have suggested improvements they wish to make when they reinstate the bridleway following groundworks.

Unfortunately, with the route being upon the edge of their land, they cannot provide an alternative route.
